**Paul Hayes, Asst. Solid Waste Supervisor**  
**Annette Milekovich & Sandee Wilson,  
Principal Clerks**  
**Walter Allen & Shawn Crisp,  
Solid Waste Enforcement Officers**

## **Our Service Can't Be Beat!**

**City of Lansing Provides the Most Complete, Wide Ranging Service Around!**

The City of Lansing provides one of the most convenient and competitively priced solid waste programs around. The union labor force works hard to provide the best service possible, collecting trash, recycling and yard waste all on the same day. If you are not using the City services, you may be spending more than you have to and missing out on some of the best services available!

The City of Lansing operates a "Pay As You Throw" trash service, meaning, like your heating or long distance bills, you only pay for what you use. This type of program provides an incentive to recycle. By recycling more and reducing the amount of trash you throw away, you can save money using a smaller, lower priced trash cart or fewer trash bags.

The curbside recycling program is convenient and easy to use. If you don't have a green bin, please contact us at 483-4400 or [recycle@ci.lansing.mi.us](mailto:recycle@ci.lansing.mi.us) and a bin will be delivered to your front door at no charge.

Beyond the Curb...Take advantage of the 24 hr. drop off center for recycling corrugated cardboard, mixed paper, telephone books and athletic shoes. You may also bring your old cell phones and household batteries to the WRS office during business hours.

See pages 3 and 4 for details on how to get started with Lansing's curbside services!
